1. The statements contained in the application, a copy of which is attached to and forms a part of this policy, and the statements in the **declarations** are **your** representations. **You** warrant that they are true and correct; and

PART A - LIABILITY COVERAGE

INSURING AGREEMENT

In return for the payment of premium for this coverage and subject to the exclusions and limit of liability stated, **we** will pay for **bodily injury** or **property damage** for which any **covered person**, as defined in this part, becomes legally responsible due to an **accident**. **We** will settle or defend, as **we** consider appropriate, any claim or lawsuit for these damages. In addition to **our** limit of liability, **we** will pay all defense costs **we** incur.

Our duty to settle ends when **our** limit of liability for this coverage has been exhausted; however, **we** will continue to provide a defense if required by law.

“**Covered person**” means:

1. **You** for the ownership, maintenance or use of **your covered auto** or **trailer**, unless it is operated by a **non-covered person**.

SUPPLEMENTARY PAYMENTS

In addition to **our** limit of liability, **we** will pay on behalf of a **covered person**:

1. Up to \$250 for the cost of bail bonds required because of an **accident**. This includes related traffic law violations resulting in **bodily injury** or **property damage** covered under this policy.
2. Interest accruing after a judgment until **we** offer to pay such judgment and accrued interest. This is as long as it does not exceed **our** policy limits for such judgment.
3. Up to \$50 a day for loss of earnings, but not other income, because of attendance at hearings or trials at **our** request.
4. Premiums on appeal bonds required in any lawsuit against **you** that **we** defend. The face amount of these bonds may not exceed the limits of liability shown in the **declarations**.

5. To any vehicle or person while the vehicle is being used to carry persons or property for a fee or compensation, of any type. This includes but is not limited to food deliveries, postal deliveries, and newspaper deliveries. This exclusion does not apply to a share-the-expense carpool.
6. To **your covered auto** while being rented, leased, or offered to others for a fee or compensation.
7. To any vehicle, other than **your covered auto**, which is owned by **you** or is furnished and/or made available to **you** for **your** regular use.

A nuclear energy liability policy is a policy issued by Nuclear Energy Liability Insurance Association, Mutual Atomic Energy Liability Underwriters, Nuclear Insurance Association of Canada, or any of their successors. This exclusion will only apply to the damages that are in excess of the minimum statutory limits of liability coverage required by the financial responsibility law of the state of Alabama.

17. To **your covered auto** or any **covered person** if the

resulting **property damage** is to another vehicle **you** own or a vehicle owned by any person residing in **your** household.

18. To any person for **bodily injury** or **property damage** caused by war or any consequence of war.
19. For **bodily injury** as a result of a communicable disease.

21. For any vehicle while being **operated** by a **non-covered person**.

LIMIT OF LIABILITY

The limit of liability shown on the **declarations** is the most **we** will pay regardless of the number of **covered persons**, covered vehicles, claims made, vehicles involved in an **accident**, lawsuits brought, or premium paid subject to the following:

1. The limit for "each person" is the maximum **we** will pay for **bodily injury** sustained by any one person in any one **accident**. This includes all **derivative claims**.
2. Subject to the **bodily injury** limit for "each person", the limit for "each **accident**" is the maximum **we** will pay for **bodily injury** sustained by two or more persons in any one **accident**. This includes all **derivative claims**.
3. The **property damage** liability limit for "each occurrence" is the maximum **we** will pay for all damage to property in one occurrence.

Any amount payable under this coverage to or on behalf of an injured person will be coordinated with benefits or payment(s) made to that person under the medical payments coverage. Additionally, any amount paid under this coverage to or on behalf of an injured person shall offset under the uninsured/underinsured motorist bodily injury coverage (if applicable).

FINANCIAL RESPONSIBILITY LAWS

If **we** certify this policy as proof of Financial Responsibility, it will comply with the law to the extent of the coverage required in Alabama. **You** must reimburse **us** if **we** make a payment that **we** would not have made if this policy were not certified as proof of financial responsibility.

OUT OF STATE COVERAGE

If an auto **accident** to which this policy applies occurs in any state or province other than the one in which **your covered auto** is principally garaged, we will interpret your policy for that **accident** as follows:

«CompanyName»
Administered by: «GAName»
NAIC Code: «NAIC»
License #: «CoLicenseNum» Phone: «CompanyPhoneNum»
«CompanyDisplayAddr»
«CompanyDisplayAddr2»

1. If the state or province has financial responsibility or similar which specifies limits of liability for **bodily injury** or **property damage** higher than the limit shown in the **declarations**, your policy will provide the higher specified limit.
2. If the state or province has compulsory insurance or a similar law requiring a nonresident to maintain insurance whenever the non-resident uses a vehicle in that state or province, your policy will provide at least the required minimum amounts and types of coverage.
3. No one will be entitled to duplicate payments for the same elements of loss.

OTHER INSURANCE

If there is other applicable insurance, **we** will pay only **our** fair share. **Our** fair share is the proportion that **our** limit of liability bears to the total of applicable limits. However, any insurance **we** provide with respect to a **non-owned auto** or a **substitute auto** shall be excess over any other insurance. The insurance on such a vehicle and other insurance shall be primary.

However, any insurance **we** provide for a **non-owned auto** or a **substitute auto** will be primary insurance if the vehicle is insured under a policy affording coverage to a named insured engaged in the business of selling, repairing, servicing, delivering, testing, road testing, parking or storing motor vehicles. This applies only if a **covered person** is operating the vehicle and is neither the person engaged in such business nor that person's employee or agent.

Any insurance **we** provide for **your covered auto** shall be excess to that of a person engaged in the business of selling, repairing, servicing, delivering, testing, road testing, parking or storing motor vehicles, if the **accident** occurs while the vehicle is being operated by that person or that person's employee or agent.

PART B – MEDICAL PAYMENTS COVERAGE

INSURING AGREEMENT

In return for the payment of premium for this coverage and subject to the exclusions and limit of liability stated, **we** will pay reasonable expenses that have been incurred for necessary medical and funeral services because of a **bodily injury** caused by an **accident** and sustained by a **covered person**. **We** will pay only those expenses that are incurred within one year from the date of an **accident**.

"Covered Person" as used in this Part means:

1. **You** or any **family member**, other than a **non-covered person**
 - a. while **occupying your covered auto**, provided it is not operated by a **non-covered person**; or

- b. as a pedestrian when struck by a motor vehicle designed for use mainly on public roads or a **trailer** of any type.
2. Any person while **occupying your covered auto**, provided it is not operated by a **non-covered person**.

As soon as possible, the **covered person** making claim under this coverage shall give **us** written proof of claim. Written proof includes full details of the injuries and treatment and any other reasonable information **we** may need to determine the amount payable. The **covered person** shall submit to reasonable questioning concerning any claim made under this policy. The **covered person** shall also provide an authorization that would allow **us** to obtain medical reports and copies of the records.

EXCLUSIONS

We do not provide Medical Payments Coverage for any person for **bodily injury**:

1. Sustained while **occupying** a motorcycle or all-terrain motorized vehicle having two, three, or four wheels.
2. Sustained while **occupying your covered auto** when it is being used to carry persons or property for a fee or compensation of any type. This includes but is not limited to food deliveries, postal deliveries, and newspaper deliveries.
3. Sustained while **your covered auto** is being rented, leased, or offered to others for a fee or compensation.
4. Sustained while **occupying** any vehicle when being used as a residence or premises.
5. occurring during the course of employment if workers' compensation benefits are required or available for the **bodily injury**.
6. Sustained while **occupying** or when struck by any vehicle (other than **your covered auto**) which is owned by **you** and/or furnished or made available for the regular use of **you**, any person residing in **your** household, or any listed driver as shown on the **declarations**.
7. Sustained while **occupying your covered auto** without the permission of the owner or not within the scope of such permission.
8. Sustained while **occupying** any vehicle when it is being used in the business or occupation of a **covered person**.
9. Caused by the discharge of a nuclear weapon (even if accidental), war (declared or undeclared), civil war, insurrection, rebellion or revolution, or any consequence of any of these.
10. From any nuclear reaction, radiation or radioactive contamination, all whether controlled or uncontrolled or however caused, or any consequence of any of these.
11. To that amount of any medical expense which is paid or payable to or on behalf of the injured person under the provision of any:

NAIC Code: «NAIC»
License #: «CoLicenseNum» Phone: «CompanyPhoneNum»

«CompanyDisplayAddr2»

- a. automobile or premises insurance affording benefits for medical expenses;
 - b. individual, blanket or group accident insurance, disability, or hospitalization insurance;
 - c. medical or surgical reimbursement plans; or
 - d. workers' compensation or disability law or any similar law.
12. Arising out of **operating** any automobile insured under this policy which is designed for racing. This includes while the automobile is being tested, repaired or serviced, or while used, operated, manipulated, or maintained in any prearranged or organized race or speed test.

LIMIT OF LIABILITY

The limit of liability shown in the **declarations** for this coverage is **our** maximum limit of liability for any one person injured in any one **accident**. This is the most we will pay regardless of the number of **covered persons**, covered vehicles, claims made, vehicles involved in an **accident**, lawsuits brought, or premium paid. Any amounts payable for expenses under this coverage will be coordinated with benefits or payments made for the same expenses under any Liability Coverage or Uninsured/Underinsured Motorist Bodily Injury (if applicable).

OTHER INSURANCE

If there is other applicable auto medical payments insurance, **we** will pay only **our** fair share. **Our** fair share is the proportion that **our** limit of liability bears to the total of all applicable limits. However, any insurance **we** provide with respect to a vehicle **you** do not own shall be excess over any other auto insurance providing payments for medical or funeral expenses. Any other insurance on the motor vehicle involved in the **accident** shall be considered primary.

PAYMENT OF BENEFITS

At **our** discretion, **we** may pay the **covered person**, the person that provides the medical services, or the person responsible for payment of the medical expenses. No payment will be made under this coverage unless the injured person or his legal representative agrees, in writing, that the payment will be applied toward any settlement or judgment that person

received under any Liability Coverage or Uninsured/Underinsured Motorist Bodily Injury Coverage.

TRUST AGREEMENT

When **we** pay medical expenses, the **covered person** or legal representative must agree, in writing, to repay **us** out of any damages recovered from anyone responsible for causing the **bodily injury**. The **covered person** must also agree in writing to hold in trust and preserve for **us** any rights of recovery against anyone.

OUR RIGHT TO RECOVER FROM OTHERS

After **we** have made medical payment coverage payments, **we** have the right to recover the payment from anyone who is held responsible. The **covered person** must sign any papers and do whatever else is necessary to transfer this right to **us**. The **covered person** has no authority to waive **our** right to recovery without first obtaining **our** written permission to do so.

PART C – UNINSURED/UNDERINSURED MOTORISTS COVERAGE

INSURING AGREEMENT

In return for the payment of premium for this coverage and subject to the exclusions and limit of liability stated, **we** will pay for the damages in which a **covered person** is legally entitled to recover from the owner or operator of an **uninsured motor vehicle** because of **bodily injury** sustained by a **covered person** and caused by an **accident**. The owner's or operator's liability for these damages must arise out of the ownership, **maintenance**, or use of an **uninsured motor vehicle**.

"Covered Person" as used in this Part means:

1. **You** or a **family member**, other than a **non-covered person**.
2. Any listed driver as shown in the declarations.
3. Any other person **occupying your covered auto**, provided it is not operated by a **non-covered person**.

"Uninsured Motor Vehicle" means a land motor vehicle licensed and designed for use primarily on public roads and highways or a **trailer** licensed and designed for use primarily on public roads and highways while attached to a land motor vehicle:

1. To which no **bodily injury** liability bond or insurance policy applies at the time of the **accident**.

vehicle must make actual physical contact between the hit-and-run vehicle and;

- a. **you**, any **family member**, or any listed driver as shown in the **declarations**
 - b. a vehicle which **you**, any **family member**, or any listed driver as shown in the **declarations** are **occupying**, or
 - c. **your covered auto**.
4. To which a **bodily injury** liability bond or insurance policy is in effect at the time of the **accident**, but the sum of the limits of liability coverage under all policies is less than the combined limits of any uninsured motorist coverage available to **you** under this and other policies.
5. That is an underinsured motor vehicle. An underinsured motor vehicle is one to which a liability bond or policy applies at the time of the **accident** but its limit of liability either is not enough to pay the full amount the **covered person** is legally entitled to recover as damages; or has been reduced by payment of claims to an amount which is not enough to pay the full amount the **covered person** is legally entitled to.

"Uninsured Motor Vehicle" does not include any vehicle:

1. Owned by any governmental body unless the operator of the vehicle is uninsured. There must be no statute imposing liability for damage because of **bodily injury** or **property damage** on the governmental body for an amount not less than the limit of liability for this coverage.
2. Operated on rails or crawler treads.
3. Designed for use mainly off public roads.

Any judgment for damages arising out of a lawsuit brought without notice and service of a summons upon **us** as required by law, is not binding on a claim being made by any **covered person**, against **us**. A default judgment rendered against the owner or operator of an **uninsured motor vehicle** shall not be binding nor determinative of any issue arising in a claim being made by any **covered person**. All provisions under **Part E** shall be fully applicable. This shall not be interpreted as excluding any other provisions of this policy that might also be applicable to this coverage.

EXCLUSIONS

1. **We** do not provide Uninsured/Underinsured Motorists Coverage for **bodily injury** sustained by any person:
 - a. If that person or the legal representative settles the **bodily injury** claim without **our** written consent.

is not limited to food deliveries, postal deliveries, and newspaper deliveries.

- c. When **your covered auto** is being rented, leased, or offered to others for a fee or compensation.
 - d. Using a vehicle without **your** permission or not within the course and scope of **your** permission.
 - e. When this **bodily injury** was sustained in the commission of a **crime**, other than a traffic violation, by a **covered person**.
 - f. When **your covered auto** is being used in the business or occupation of a **covered person**.
 - g. When resulting from intentional causes or expects to cause **bodily injury**, by a **covered person**.
2. This coverage shall not apply directly or indirectly to benefit any insurer or self-insurer under any workers' compensation, disability benefits, or similar law.
3. For any **accident, loss or bodily injury**, that occurs while a **TNC driver** using **your covered auto** is (1) logged in as a driver to a **TNC's digital network**; or (2) is engaged in a **prearranged ride**.

NOTICE

You or someone on **your** behalf must report the **accident** within 24 hours to the police. **We** must be notified within thirty (30) days after any **covered person** has determined that the other motor vehicle is uninsured and/or its identity is unknown and the intent of the **covered person** is to file a claim under the uninsured/underinsured motorist coverage.

LIMIT OF LIABILITY

Subject to the laws of Alabama, **we** will pay no more than the maximums shown on the **declarations** for coverage under this **Part C**.

1. The most **we** will pay for all damages resulting from **bodily injury** to one person caused by any one **accident** is the uninsured motorist limit provided on the **declarations** for "each person". This includes all **derivative claims**.
2. Subject to the limit for "each person", the most **we** will pay for all damages resulting from **bodily injury** caused by any one **accident** is the limit shown in the **declarations** for "each **accident**". This includes all **derivative claims**.

At **our** sole discretion, **we** may pay any loss or repair or replace **your covered auto** or its damaged parts with parts furnished either by the original equipment manufacturers or non-original equipment manufacturers. If **your covered auto** is a total loss and **you** provide proof of **your** replacement of the total loss vehicle, **we** will reimburse title fees, license fees, and sales tax

based on the actual cash value paid for the total loss or the replacement vehicle, whichever is less.

Any amounts payable for damages under this coverage shall be offset by:

1. All sums paid because of the **bodily injury** by or on behalf of any person or organization who may be legally responsible. This includes all sums paid under the Liability coverage of this policy.
2. Duplicate payments for the same element of loss.

Any payment under this coverage to or for a **covered person** will be coordinated with benefits or payments made or offset by any amount that person is entitled to recover under the Liability Coverage, Medical Payment Coverage or Coverage for Damage to Your Auto of this or any other policy.

OTHER INSURANCE

If **your covered auto** or a **covered person** is involved in an **accident**, then the coverage provided under **Part C** is primary after all efforts have been exhausted in determining all available liability coverage. However, if seeking underinsured motorist coverage and there is other applicable similar insurance, **we** will pay only **our** fair share. **Our** fair share is the proportion that **our** limit of liability bears to the total of all applicable limits. Additionally, any insurance **we** provide with respect to a **non-owned auto** shall be excess over any other insurance. The insurance on such a vehicle and other collectable insurance shall be primary.

PROOF OF CLAIM

You, a relative, or someone on **your** behalf must have reported the **accident** to the police within 24 hours.

As soon as possible, the **covered person** making a claim under this coverage shall give **us** written proof of intent to present a claim under this **Part C**. Written proof includes submission of a sworn statement and proof of loss that provides full details of the **accident**. This shall include the vehicles and people involved, the insurance companies involved for all the parties, the injuries and treatment for which a claim is being made, and any other reasonable information **we** may need to determine if coverage is due and if so the amount payable.

The **covered person** shall submit to reasonable questioning, under oath, and provide records or documents, if requested, concerning any claim made under this policy as often as **we** may require. A parent or guardian may be present during any examination of a minor.

The **covered person** shall also give **us** an authorization that will allow **us** to obtain medical reports and copies of the

records. The **covered person** shall also submit to physical examinations by doctors chosen by **us** as often as **we** may reasonably require.

If a **covered person** is seeking coverage for an underinsured motorist claim, **we** must have satisfactory proof of loss prior to the consideration for any payment that may be rendered. This includes:

1. A letter from the primary insurance carrier(s) confirming the settlement offer(s) being extended;
2. A complete copy of the itemized bills, medical notes, and medical reports as related to the loss; and
3. Any records **we** may reasonably request.

TRUST AGREEMENT/SUBROGATION

If **we** pay a **covered person** for a loss under this coverage:

1. **We** are entitled to recover from a **covered person** an amount equal to such payment if there is legal settlement made on behalf of the **covered person** against any person or organization legally responsible for the **bodily injury** and/or **property damage**.
2. A **covered person** must hold in trust for **us** all rights for which a **covered person** has to recover money from any person or organization legally responsible for **bodily injury** and/or **property damage**.
3. A **covered person** must do everything proper to secure **our** rights and do nothing to prejudice these rights.
4. If **we** ask a **covered person** in writing, a **covered person** shall take the necessary or appropriate action, through a representative designated by **us**, to recover payment as damages from the responsible person or organization. If there is a recovery, then **we** shall be reimbursed out of the recovery for expenses, costs, and attorney's fees incurred in the connection with this recovery.
5. A **covered person** must execute and deliver to **us** any legal instruments or papers necessary to secure the rights and obligations the **covered person** and **us** as established here.

ACTION AGAINST US

A **covered person** must have complied fully with all the terms of this policy and this **Part C** before any obligation for payment arises. No action may be taken against **us** without and until compliance with all conditions and terms of this policy by the person(s) seeking coverage hereunder.

2. The amount necessary to repair or replace the property with deduction for depreciation. At **our** sole discretion, **we** may pay any **loss** or repair or replace **your covered auto** or its damaged parts, with parts furnished either by the original equipment manufacturers or non-original equipment manufacturers; or

NO BENEFIT TO BAILEE

This insurance shall not directly or indirectly benefit any carrier or other bailee.

Give **you** the reasons for denying the claim, or reasons **we** require more time to process **your** claim if **we** do not approve payment of **your** claim or require more time for processing **your** claim. However, **we** must either approve or deny **your** claim within 45 days after **our** requesting more time.

8. Give **us** consent to move **your** damaged property to a storage free facility at **our** cost. PART F - GENERAL PROVISIONS

BANKRUPTCY

Bankruptcy or insolvency of the **covered person** shall not relieve **us** of obligations under this policy.

CHANGES

This policy contains all the agreements between **you** and **us**. Its terms may not be changed or waived except by endorsement issued by **us**.

Notice to **your** Agent, or knowledge possessed by **your** Agent, or other person shall not change or effect a waiver on any portion of this policy nor stop **us** from exerting any of **our** rights under this policy. This policy can only be changed by an endorsement **we** issue which is signed by **our** authorized representative.

If a change requires a premium adjustment, **we** will adjust the premium as of the effective date of change. If **we** revise this policy form to provide more coverage without additional premium charge, **your** policy will provide the additional coverage as of the day the revision is effective.

LEGAL ACTION AGAINST US

No legal action may be brought against **us** until there has been full compliance with all the terms of this policy. In addition, under the Liability Coverage, no legal action may be brought against **us**:

1. By a person not insured under this policy unless **we** agree in writing that the **covered person** has an obligation to pay; or
2. Until the person, not an insured, has obtained a judgment against a person who is insured under the terms of this policy for a cause of action that is covered by this policy.

No person or organization has any right under this policy to bring **us** into any action to determine the liability of a **covered person**.

OUR RIGHT TO RECOVER PAYMENT

- A. If **we** make a payment under this policy and the person to or for whom the payment was made has a right to recover damages from another, **we** shall be subrogated to that right. That person shall do whatever is necessary to enable **us** to exercise **our** rights and shall do nothing after loss to prejudice them. A release of the insurer of an underinsured motor vehicle does not prejudice our rights.
- B. If **we** make a payment under this policy and the person to or for whom payment is made recovers damages from another, that person shall hold in trust for **us** the proceeds of the recovery and shall reimburse **us** to the extent of **our** payment. However, **we** may not claim the amount recovered from an insurer of any underinsured motor vehicle.

POLICY PERIOD AND TERRITORY

This policy applies only to **accidents** and losses that occur:

1. During the policy period as shown in the **declarations**; and
2. Within the policy territory.

This policy territory is:

1. The United States of America, its territories or possessions; or
2. Canada.

This policy also applies to a loss or **accident** involving **your covered auto** while being transported between the ports.

This policy is intended for Alabama residents only as it is issued in accordance with Alabama laws and statutes and is rated accordingly. If **you** move to and/or reside in another state, **you** must inform **us** immediately of the change to **your** address.

TERMINATION

A. Cancellation

This policy may be cancelled during the policy period as follows:

1. The named insured shown in the **declarations** may cancel by:
 - a. returning this policy to **us**; or
 - b. giving **us** advance written notice of the date cancellation is to take effect.
2. **We** may cancel by mailing to **you** at the address shown in the **declarations**:
 - a. at least 10 days' notice if cancellation for nonpayment of premium or within the first 59 days of the policy term; or
 - b. at least 20 days' notice in all other cases or as otherwise provided by law.
3. After this policy is in effect for 60 days, or if this is a renewal or continuation policy, **we** will cancel only:
 - a. for nonpayment of premium; or
 - b. any other reason as set forth in the Code of Alabama, 1975, Sec. 27-23-21.

B. Non-renewal

If **we** decide not to renew or continue this policy, **we** will mail notice to **you** at the address shown in this policy. Notice will be mailed at least 30 days before the end of the policy period.

C. Automatic Termination

If **you** obtain other insurance on **your covered auto**, any similar insurance provided by this policy will terminate for that auto on the effective date of the other insurance.

If **we** offer to renew or continue and **you** or **your** representative do not accept, this policy will automatically terminate at the end of the current policy period. Failure to pay the required renewal or continuation premium when due means that **you** have not accepted **our** offer. There is no grace period.

Coverage to **your covered auto** will terminate immediately when a person other than **you** or any listed driver shown in the **declarations** becomes the owner of the auto, to any extent and by any method. This includes but is not limited to purchase, conditional sale, exchange, and/or installment payments of the auto. This does not apply when Named Non-Owner endorsement applies.

D. Other Termination Provisions

1. **We** may deliver any notice instead of mailing it. Proof of mailing of any notice shall be sufficient proof of notice.
2. If this policy is cancelled, **you** may be entitled to a premium refund. If so, **we** will send **you** the refund due no later than the 15th **business day** after the effective date of the cancellation. The premium refund, if any, is computed pro rata, subject to the policy minimum premium. However, making or offering to make the refund is not a condition of cancellation.
3. The effective date of cancellation stated in the notice shall become the end of the policy period.
4. Any cancellation or restriction of coverage made without **your** consent will be of no effect, except as provided for in this Termination provision under Cancellation, Non-renewal, Automatic Termination or required by the Alabama Department of Insurance.

E. Insufficient Funds

Any check or electronic payment submitted as a down payment or renewal payment of the premium required for this policy which has not been honored by the payer's bank upon presentation for payment will render this policy null and void. There will be no coverage whatsoever for the time period or term of this policy for which payment was issued.

Additionally, any check or electronic payment submitted as a required payment during the policy period that has not been honored by the payer's bank upon presentation for payment will be considered as though no payment was ever received. The payment due date will default back to the due date as outlined in the original notice of cancellation.

TRANSFER OF YOUR INTEREST IN THIS POLICY

Your rights, duties, and coverage afforded under this policy may not be assigned without **our** written consent. However, if a named insured shown in the **declarations** dies, coverage will be provided until the end of the policy period for:

1. The surviving spouse if a resident in the same household at the time of death, as if a named insured shown in the **declarations**;
2. The legal representative of the deceased person as if a named insured shown in the **declarations**. This applies only with respect to the representative's legal responsibility for the **maintenance** or use of **your covered auto**.

TWO OR MORE AUTO POLICIES

If this policy and any other auto insurance policy issued to **you** by **us** apply to the same **accident**, the maximum limit of our liability under all the policies shall not exceed the highest applicable limit of liability under one policy.
